# IN DEDICATION

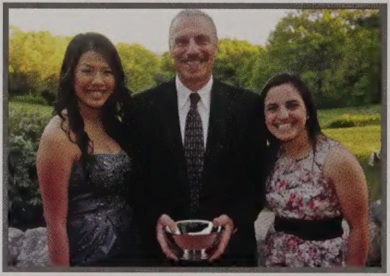
## Mr. Paul Hallion

Every year, the Waltham High School yearbook is dedicated to an outstanding individual. This year, we have chosen a man who we refuse to let leave his career without being recognized for the impact he has had on our community. Famous for disappearing from various events without telling anyone (frequently through windows), so famous in fact that many refer to it as "pulling a Hallion," this year we have decided to dedicate our yearbook to Mr. Paul Hallion.

Mr. Hallion began his teaching career in 1976 at South Junior High School. From there, he taught briefly at the elementary level as a gym teacher, but ultimately found his home teaching health here at the high school. Over the years, Mr. Hallion stood in front of every incoming freshman class and taught them valuable lessons about adapting to change and staying away from the influence of drugs and alcohol. He proved to countless numbers of students the value of good nutrition, and despite his recent assurances at the NHS Banquet to the contrary, he always seemed to have a box of cheerios in one hand and a bottle of water in the other.

Even after his retirement, he returned this year to serve as Master of Ceremonies at the Teacher Appreciation dinner for the 25th time (which reminds me, I still can't believe our team lost Family Feud after Mr. Hallion, I'm sorry, "the survey"didn't agree that cough syrup was one of the top two cherry-flavored items). He also substituted for Ms. Connors-Beck and was honored with the Man of the Year award at the NHS and student council banquet. During his tenure at Waltham High, Mr. Hallion said goodbye to his senior classes, preparing each one for the world outside these walls to which we've become so accustomed. Although this senior class has had a different experience, I feel confident that we can take the memories of our time with him and use his words of wisdom to face what is ahead of us. He instilled in us his lesson of making the best of change, as I'm sure he has done in his retirement. He taught us that you don't have to be entirely sure of what comes next, you just need to have the confidence in yourself to push forward and be proud of what you have done and what you will do. Mr. Hallion has been a constant presence in the Waltham community, taking a sincere interest in the students he taught even outside of his classroom. He has been a kind friend to his coworkers and he has provided humor in every aspect of his life. Throughout Mr. Hallion's career, he has made a difference in the lives of his students and we won't soon forget him, even though neither he, nor we, continue to walk these hallways.

Mr. Hallion at the NHS Awards Ceremony with his family.



Mr. Hallion received the 2013 Waltham Teacher of the Year Award. Above: he poses with the award and two former students.

# RECOGNITIONS

## Mrs. Brennan

There was never a day that she didn't have a smile on her face as she walked the halls or tended to duties in the house office. Perhaps one of the most remarkable things about Mrs. Brennan was the effort she put into getting to know each and everyone of her students. Whether it be walking around the cafeteria, stopping at various tables to engage in conversation, scheduling lunches with different groups of students, or even just waving to us down the corridor, she really made a point to reach out to us all in some way. She took a genuine interest in what we were up to outside of the classroom, as well. Mrs. Brennan attended countless sporting events, performances, and even made an appearance on stage alongside out class in Senior Revue. She encouraged us all academically, congratulating us on our successes and always asking us to do our best.

## Mrs. Saran

A secretary is not an easy job to have. Especially when your job consists of tending to hundreds of needy teenagers. However, Mrs. Saran seems to do it all, exemplifying the ideal secretary. She has a strong work ethic and gets everything done with wit and sarcasm. Her dedication and genuine nature does not go unnoticed. She got to know many of the students who passed by her desk each morning, and was always willing to give her advice to those who entered into the house office.

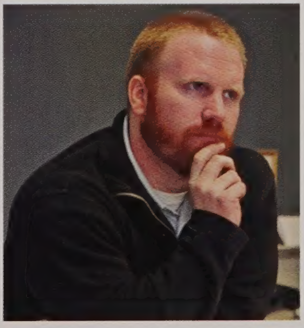
## Ms. Malone

As our school adjustment counselor, she has been one of the most enthusiastic supporters of our class. We may not always express our gratitude, but her dedication, support, and genuine care deserve endless appreciation. Although some students have not had the opportunity to work one on one with Ms. Malone, her generosity and guidance is known throughout the class. Whether it be dealing with the everyday stress of a high school student or the anxiety of our day to day endeavors, Ms. Malone offers great wisdom, advice, and emotional support that should not be overlooked nor forgotten.

## Mrs. Gavin

During our exciting transition into high school, we had Mrs. Gavin to support us. Although she was only our housemaster for one year, it was a year in which we needed a lot of advice and encouragement, which she was always willing to provide us with. Since then, she has come back to visit her old students, making an appearance at Senior Social and in our end of the year senior video.

## Mr. McMahon



Along with teaching many of us in our freshman and senior years, Mr. McMahon worked as our substitute housemaster during our junior year. We became accustomed with his humor and dedication as he strove to fill Ms. Brennan's shoes. He helped us put together our first ever Powderpuff game, organized a senior barbecue before we graduated, and was responsible for our caps and gowns for graduation. After fully immersing himself in our activities, Mr. McMahon left a lasting impression in our high school experience.

For the first time since entering the DCL, the Waltham High boys football team was seen as a force to be reckoned with. The boys, led by head coach John Bourque, finished their season with a record of 7-3, including a monumental win against DCL powerhouse Acton-Boxboro. Captains Junior Chery, Bobby Cappadona, and Lunique Sanvil led their team both on and off the field with great success. Their closest attempt at making the DCL playoffs yet, the boys missed the mark by only one win. The team ended their season with a win against Malden Catholic on Thanksgiving Day, marking the end of a remarkable season for the Waltham High Football team.

"It was a memorable season to say the least, leaving the coaches and players satisfied with the performance that we displayed each game. Although we came up short of winning the DCL title, we finally earned respect from the other teams in our league."

-Bobby Cappadona

HOMECOMING 2012
GO HAWKS

"The season was very successful and I'm so glad we were DCL champions my senior year. It was a very special experience."

-Molly Greeley

# Stunt STRONG

The 2012 cheerleading season was very successful under the direction of new head coach Kerrie Blanchard and assistant coaches Kristen Douglas and Lindsey Boudrot. The entire team worked hard cheering on the football team at every game, getting fans pumped up, and preparing for competitions. Going into the DCL Leagues, they knew that they would have stiff competition, but with their determination and the support of their super fans, they placed first in their division for the first time. They now carry the title of DCL Grand Champions, a sweet reward for the team, especially senior captains Molly Greeley and Emma Gardiner.

"I'm so proud of my team for being the DCL champions. It was a great way to end my four years as a high school cheerleader"
-Emma Gardiner

# *Shoot* STRONG

Field Hockey began a challenging season led by captains Emily McGann, Juliana Roche, and Stephanie Orchanian. Despite their ups and downs, the girls managed to have fun and play their best. They showed dedication on the field during every game. This was a very enthusiastic team, made up of girls who were willing to play their hardest time after time despite loss. Their motto, "Do or die, Hawks fly together" was the motivation that kept them playing. They worked tirelessly to better their skills alongside Coach Nugent.

"The scores don't reflect the hard work we put into this season. Each girl put forth her best effort and we persevered to compete in a challenging league. In the end, it's not the scoreboard that we will remember, it's the close bond and memories that we shared. I'm proud to be the captain of such a dedicated, hardworking team."
-Juliana Roche

# *Kick* STRONG

The boys' soccer season this year was one full of highs and lows. The team showed much improvement and a competitive spirit in the tough DCL, but unfortunately, this was not always reflected in their record as they ended up on the losing end of a series of tough calls by referees. Under the leadership of captains Daniel Parravano and Ryan and Justin McCassie, the boys played hard and gave every game their all. Late in the season, the team was even able to earn a victory against Lincoln-Sudbury under the direction of Coach Bernard, a major accomplishment in such a challenging league.

Being perfect is not about the scoreboard; it's not about victory. It's about the relationship between teammates, it's about being able to look at your teammate in the eye and know that you didn't let them down because you gave it your all and there was nothing left to give.
-Dan Parravano

# Score STRONG

The 2012 girls soccer team was led by eleven senior girls who showed dedication and strong leadership skills throughout the season. These girls and the rest of the team worked alongside coaches Paul Piantedosi, Michael Lucchetti, Ciro Mialone, and Lindsey Oliveri to better their skills both on and off the field. Led by captains Arianna Straggas, Maria Baras, and Ashlyn Boynton, the team went on to beat their rival Arlington Catholic 1-0 and finish their season strong.

"This year's team had by far the best chemistry of any team I've been a part of. We all loved playing together and have been playing together for so long that it made the season a great one."
-Arianna Straggas

# Spike STRONG

The Waltham Lady Hawks Volleyball team improved greatly this season. Led by senior captains Cassie Desrochers, the team's MVP, and Olivia Gardiner, a DCL all-star, the team never gave up, and they had an amazing year, giving other teams a lot of trouble with their competitive attitude. Even when the team lost, they didn't let it get to them. Under the direction of Coach McLaughlin, they persevered to improve and take steps in the right direction.

"Even though our record did not show all of the talent and skill on our team, we had an outstanding season and I'm going to miss each and every girl so much. Volleyball just brought us together."

# Run STRONG

The cross country team is open to any student devoted to running. This year's team had a mixture of new and returning members, ranging from freshmen to seniors. "The team really pulled through this year and rebuilt from the seniors leaving" says Mr. Long, coach of the team. Captains Skyler Stewart, Ned Regan, and Roger LaCroix, led the team at numerous successful meets. The team had a defining victory against Wayland's team in this year's DCL meet when Roger LaCroix and Chris Kelleher sped past the finish line. Their hours of practice, devotion to the sport, and teamwork keeps the spirit of the team alive as they work hard to find success in a challenging league.

"I love this team, I always have. From a misplaced group of kids to a close team, that is something that a lot of sports -and people- don't get to see."

-Skyler Stewart

32 seconds left in the fourth quarter, and the crowd is glowing with pride as they cheer on their classmates, family, and friends toward another victory. This was the tone the Waltham Hawks set for their season, finishing with an astonishing number of wins. It was one of Waltham High's most successful seasons to date. Captains Bobby Cappadona and Junior Chery led their team with one goal in mind: to win. Battling against several powerhouses in the DCL, the boys worked extremely hard both on and off the court to provide these teams with a worthy competitor.

"This season proved hard work and perseverance really do pay off because 2 years ago we were 4-18 and this year we finished 16-5"
-Junior Chery

The girls basketball team played hard and had fun at every game this season. Unfortunately, they came up one game short of making the tournament. Under the leadership of Coach Denise Nugent, the team finished with a record of 9-11, their best since entering the DCL. Captains Olivia Gardiner, Courtney Greene, and Leah Wheaton led a close-knit and supportive team to a strong season including a nail biting victory against their rival, Arlington. The team capped off their season with a victory against Everett.

"Whether we won or lost, nothing ever stopped the enthusiasm and compassion shown by my teammates towards each other and toward the game. It's been an incredible experience!"

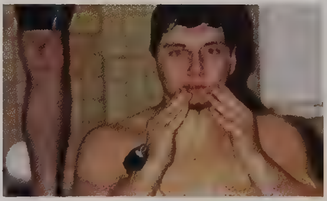
# Skate STRONG

The girls hockey team had a strong season despite losing their leading scorers, finishing the season with a record of 6-12-2. They had a record goal-scoring game with their 10-1 win versus Central Catholic. As they continued their season, they went on to beat teams such as Newton South and Lincoln Sudbury. As captain Michelle Vollemans said "We improved greatly every week and always stayed focused." The girls hockey team was coached by Ryan Foley and John MacIsaac and should be improving in the next few years.

"The girls hockey team had an unforgettable season; we worked hard and came together as a family. Our hard work helped us win difficult games, despite having lost some graduated seniors."
-Michelle Vollemans



# Swim STRONG

The swim team had an exceptional season this year, sending many of their swimmers to compete at Sectionals and States. Coached by Mr. Gavin, Mr. McCue, and Ms. Parsons, the team pushed themselves farther than they had in a long time. Collectively, the team rallied to support their freshman teammate Connie Lee, who made it through to Sectionals and States for individual races. Every member of the team showed notable improvements as they worked to meet their goals together and independently. This commitment was evident throughout the season and especially in the final results at tough competitions.

"I think we can all say that the team worked incredibly hard this year. It might not have shown in our team record but it sure did individually. With the help of Coach McCue and Coach Gavin, we conditioned more this year and put in 100% to bring more individual and relay swimmers to Sectionals and States."

-Erin Murphy

# *Pin* STRONG

This year the wrestling team was lead by captains Laban Christenson, Nick DiPronio, and Nick Rogers. Although the season did not turn out how the team would have hoped, the team's dedication and perseverance proved to be inspiring. One of the highlights of the season included senior captain Laban Christenson's impressive performance at states.

"We came. We saw. We almost conquered, but we didn't have enough people."
-Laban Christenson

"This was a tough year for us; we had low numbers along with a new head coach. Luckily, we had a group of guys in the room everyday who were willing to work and at the end of the season, that hard work paid off."
- Nick DiPronio

The ski team, coached by Mr. Sorin, showed great improvement this season. As the weeks passed, each member strove to push themselves. The team was headed by four senior skiers, Thomas Waddick, Ricky Nash, Richie Scanlon, and Nicole Landry. Their captain, Richie Scanlon, was the only member of the team to compete at States. At the end of the season, the team was fourth in the league, thanks to their dedication and persistence in competing against members of other teams.

"It's not about the results, it's about the friends you make along the way."

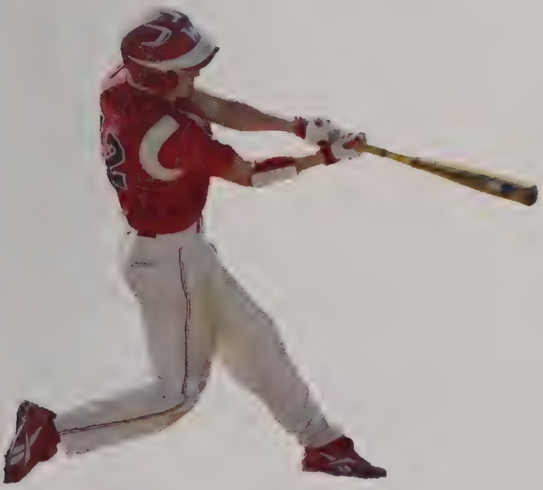
# *Hit* STRONG

This year's baseball team was led by captains Richie Scanlon, Nick Dipronio, and Nick Neshe. They had an impressive season overall as they maintained an amazing record, landing them a spot in the tournament. Their hard work and determination helped them to become victorious. With seven all star players, the team had an explosive offense that scored in bunches. They fed off of the energy of their team members and the excitement of scoring runs to push themselves to succeed. The team was pushed forward by their strong pitching throughout the season from Richie Scanlon, Ricky Manning, Nick Neshe, Joe Dwyer, Nick Sutherland, Dana Parello, Garrett Stanowicz, and Mark Shay.



"We had one of our better seasons in a few years and it was due to hard work by each member of the team. Each person did their job but, overall, we still have room to improve"

-Nick Neshe

# *Pitch* STRONG

The 2013 season was full of highs, lows and huge excitement for the WHS Softball team. Under the leadership of Coach John MacIsaac, and captains Marlene Sullivan and Taylor Scafidi, the season was both a learning experience and filled with fun. Although the season started off slow, the Hawks pulled off a win against Revere for the first time in three years. They also played a close game against Newton North, but lost 3-0. This game did not stop the Hawks from proving to be strong competitors and progressing further in their league. Because the Hawks were such a young team this year, the girls faced challenges head on and were able to surprise some league leaders along the way. The team this year came a long way and they was able to build some great chemistry.

"I am really proud of my team and I am going to really miss them next year. I wish them the best of luck in the future! This season has been the best... We started from the bottom now we're here!"

# Cradle STRONG

Seniors Leah Wheaton, Arianna Straggas, and Alexa Kimker led the girls lacrosse team as this year's captains. This year's season was one of perseverance and hard work given the competition of the DCL league. Although the season didn't turn out as they had hoped, the girls worked extremely hard throughout. The team gave 100% on and off the field and really came together.

"This season came down to a lot of close games which made it thrilling to be apart of. The girls had great attitudes and when we came together as a team, we were a force to be reckoned with!"
-Arianna Straggas

# Rally STRONG

Coached by Mr. Ramsey, the players on the boys tennis team worked hard this season to try and improve their own skills against their tough competition. Comprised mostly of underclassmen, the tennis boys faced the end of their season with hope for next year and a positive outlook on what the experience of their 14 games could teach them. The boys put their focus into the individual matches of every game in order to work their hardest in the moment. It is that commitment which is the mark of a dedicated team.

we're there, let's try

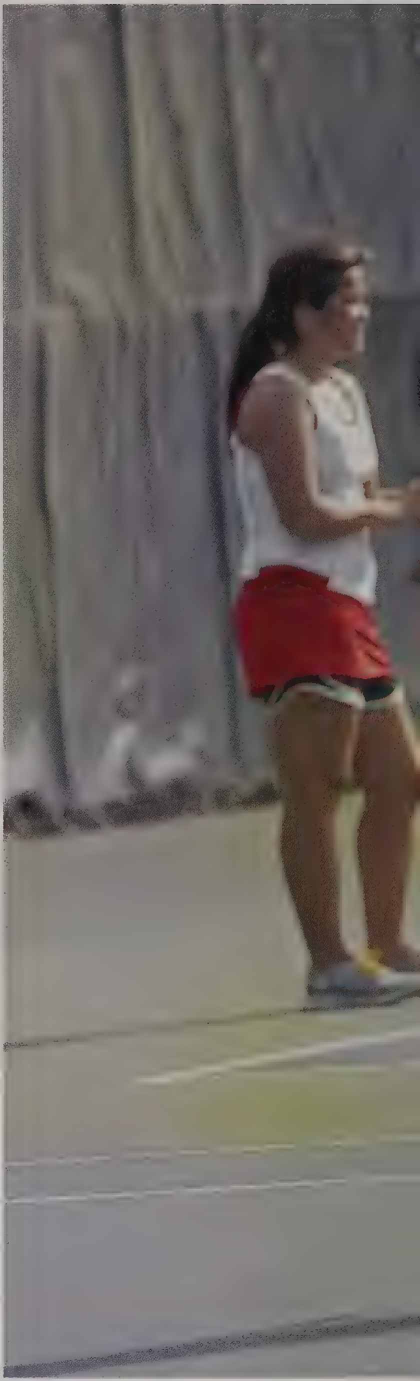
# Serve STRONG

This year, the girls tennis team took on many new members. At the beginning of the season, many girls weren't confident about how they played, but as the season progressed, the team quickly began to improve. One win by Lucretia Berozsky gave the team hope as they faced the hardest teams in the state. The Waltham High girls tennis team has improved and each year they are getting stronger overall.



"It is hard to keep up with the other teams in the league, but the girls tennis team never gave up. Each year the team improves and works hard to not only improve themselves individually but their teammates too. The team is strong and will keep getting stronger by never giving up and working hard to be better players."

# Compete STRONG

The boys outdoor track team had another good season this year as they continued to build and improve. Led by Coach Keith Levan, Assistant Coach Chris Ward and captains TJ Noonan, O'Brian Jean-Philippe, and Roger LaCroix the team fought hard and sent several members to states. Following states, senior captain TJ Noonan soared his way through all-states to New Englands for the javelin. The boys worked hard and competed well against the tough teams in the DCL.

"Track is, for the most part, an individual sport with many different events and, in our teams case, many different types of individuals. However, that did not stop us from being a close team. We all stretched, cheered one another on, and laughed together. It did not matter what grade you were in, as long as you worked hard and had a good sense of humor it was a great time. Thanks for a great season."

# Challenge STRONG

This season, the girls outdoor track team proved themselves in the Dual County League. Led by Coach Francois Joseph and captains Maria Baras, Victoria Concetti, Courtney Greene, and Juliana Roche, the team ended their season with their best record since entering the DCL. Following several great victories, including an incredible win against Westford Academy, the girls track team sent multiple members to states, with sophomore Jenny Sexton advancing to all-states for the 400 and senior Cassie Desrochers making it all the way to New Englands for discus. The girl's track team also sent sophomores Jenny Sexton and Katie Maehl and freshman Amanda Concetti to the North Sectional Girls Heptathlon where they finished in fourth place. The 2013 girls outdoor track team set the bar high for years to come.

"We went out this year with a positive attitude and finished with a great record! I'm so proud of everyone on the team and I couldn't have asked for a better season! We weren't just a team; we were a family."

The 2012-2013 year was a great year for the WHS band and orchestra! Under the direction of Mr. Barbas, both the band and the orchestra entertained family and friends at the winter concert, the Student Santa assemblies, the spring concert, an the all-city concert. In April, select band and orchestra members traveled to California and played on the deck of the USS Midway. In May, the string ensemble, conducted by Ms. Babazadeh and the percussion ensemble, conducted by Mr. Burke, competed at a competition called MICCA and were both awarde gold. The head of the music department, Mr. Trudeau, and all members of the band and orchestra look forward to another great year!

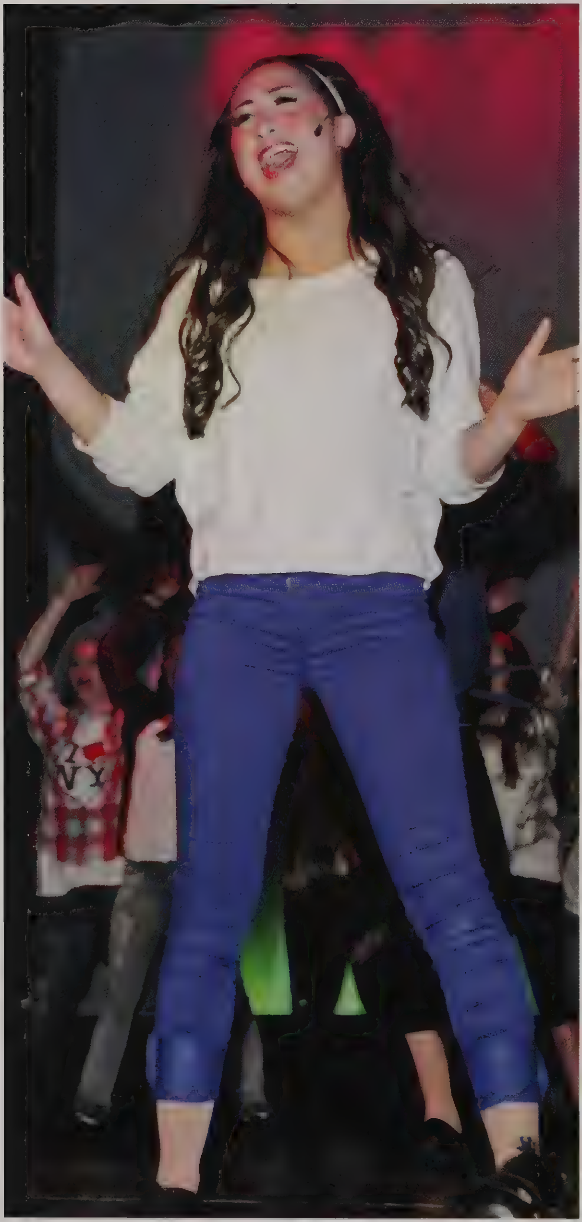
# Show Choir

Music Unlimited, under the direction of Christopher Landis, had a stellar year, winning gold medals at every competition. Music Unlimited also won Best Vocals, Best Female Soloist for Krystal Hernandez, and First Runner Up at local competitions. The group competed at Fame Nationals in New York, winning Fourth Runner Up and Best Female Soloist for Maryann Murray. Additionally, Music Unlimited performed at community events, from nursing homes to City Council meetings. Music Express, under the direction of Sara Carson, also had a successful year, winning silver medals. Music Express is one of the few eastern all-girl groups, and proudly represented Waltham High School at Disney World this year.



# Little Shop of Horrors

Little Shop of Horrors, the fall musical, was a huge success. Staring seniors Maryann Murray, Michael Milmore, Jack Capello, Anna Sebunnya, and Krystal Hernandez along with junior Ryan Connearney, the show was almost delayed by Hurricane Sandy, but the cast battled through the rain to put on a good show. This was the first play directed by Mr. Landis and Ms. Finell at Waltham High, and a blast for all. And remember, don't feed the plants!

# The Miracle Worker

Imagine how your life would change if you could neither hear nor see. Such was the experience of Helen Keller. In Waltham High School's very own performance of *The Miracle Worker*, a group of fourteen dedicated students brought Helen Keller's experience to life. These students worked tirelessly to bring the show to the stage over the course of only four short weeks in Mr. Landis's directorial debut at Waltham High. The play, starring seniors Jack Capello, Marisa Diamond, Krystal Hernandez, and Rachel Kiesling, and junior Ryan Connearney, was greatly enjoyed by all who came to see it and was an incredible bonding experience for the entire cast.

# Dance Theatre

Dance Theatre "Turns Up the Music" once again in 2013 with another exciting show. Deb Peros-Finnell, along with 5 guest choreographers and her dance captains, Allie Cataldo, Rita Gehrenbeck-Shim, Demi Edwards, and Emmanuel Destin compiled a riveting line up for the twenty-eighth annual show. Dance Theatre attracted classmates, families, and friends from all over Waltham and surrounding cities. With only two months to prepare, the cast worked hard from December to February to put on a show they'd never forget. Despite a snowstorm the week of the show that forced one of four shows to be canceled, the entire cast worked hard and finished strong.

From Mustache Monday to Superfan Friday, the halls of Waltham High were filled with spirit and anticipation for the pep rally preceding the big game. Girls and boys alike donned crazy ‘staches on Mustache Monday before trading them in for tie-dyed attire on Tie-dye Tuesday. Next, students’ wardrobes took a turn to the West, dressing with a cowboy flare on Western Wednesday. On Throwback Thursday, Waltham High was a time machine as students and teachers rocked outfits from past decades. # Pep Rally

The pep rally is possibly the most anticipated tradition at Waltham High School. The combination of the exciting games, contests, activities, enthusiastic cheerleaders, and proud fall sports teams prepared the entire student body for the upcoming football game. The rally built pride for all fall sports as each team and its captains were introduced. Ms. Lopes introduced the Keys to Success program and awarded the first few after the junior class won the relay race. This year was especially spirited thanks to a few new additions. One of the most exciting aspects of this year's rally was the first annual "Pie-in-the-Face". Students raised money for the teacher which they would like to see pied, and in a close race, Mr. LeVan raised the most money. He was rewarded with a delicious cream pie shoved in his face.

# Travis Roy

In September, motivational speaker Travis Roy came to Waltham High and to speak to the students and staff. Roy was an American hockey player who followed his dreams and earned a scholarship to Boston University. 11 seconds into the very first game of his college career, Roy slid into the boards after dodging a hit and cracked his fourth vertebrae. He was left paralyzed from the neck down. Although the doctors told him he would never be able to walk, Roy's spirit never died. Roy frequently tells his stories and wrote a best selling book titled 11 Seconds. His inspiring speech at WHS was about achieving one's dreams no matter the circumstances.

"I'm so happy we got the opportunity to listen to Travis Roy speak. He is such an inspiration and has such a positive attitude despite everything he's been through. He taught us to make the most out of life and to never take anything for granted. He gave us all a new perspective on things"

# Chris Herren

On January 11th, the school held a project purple event. Waltham High was draped in purple thanks to all the students and staff who wore their project purple t-shirts. The program was started by Chris Herren, whose basketball career was ruined by the devastating effects of drug use. Earlier in the year, Herren came to Waltham High to give an anti-drug speech. The girls and boys basketball teams wore their shirts for warm ups in support of Herren's cause. The girls team even wore purple shoelaces during their game. A group picture was taken at the end of the day, showcasing everyone who participated and gave their support.

# Homecoming Game

In a sea of pink, the Hawks Superfans raised awareness for breast cancer as they cheered on the football team to a 32-14 victory over Newton South at this year's Homecoming game. The excitement began with the first ever Homecoming Harvest where Waltham residents of all ages gathered for an array of festive games and activities, including face painting and bobbing for apples. After an exciting game with spirited fans, Waltham High students rallied to the High School for the annual homecoming dance. The lip sync had three exciting acts this year. Sophomore Iskender Tenekedjian sang "Ghetto Gospel" for the win against the cheerleading team and a country duet by seniors Nick Carnes and Bryan Longmoore.

"Homecoming is that experience in high school that ten years from now you will look back on. You'll remember that fall day cheering the boys onto victory as you stood smiling with your friends. I can't think of a better beginning to senior year."

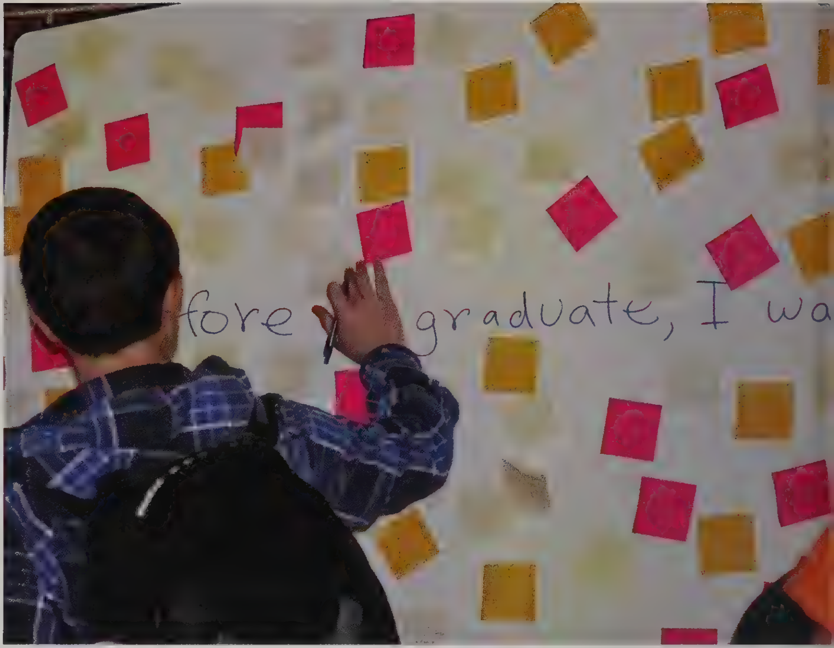
# *Finish* STRONG



Mr. Demeo and the housemasters led grade-wide assemblies in September to motivate WHS students. Everyone received a t-shirt with a slogan representing each grade's goal to stay strong. Freshmen should Begin Strong, the sophomores are to Plan Strong while the juniors Focus Strong and the seniors are reminded that their goal is to Graduate Strong. At the seniors' assembly the Show Choir sang a rendition of The Climb by Miley Cyrus at Ms. Brennan's request. The assemblies served as a way to unite students with their classes while also bringing the school together as a whole. Inspired by Mr. Demeo's slogans, the National Honor Society decided to create an equivalent design for the teachers, as a reminder for them to Educate Strong. Every quarter guest speakers including Sam Richman, Mr. Cox, and Evan Mula came to speak to the honor students.

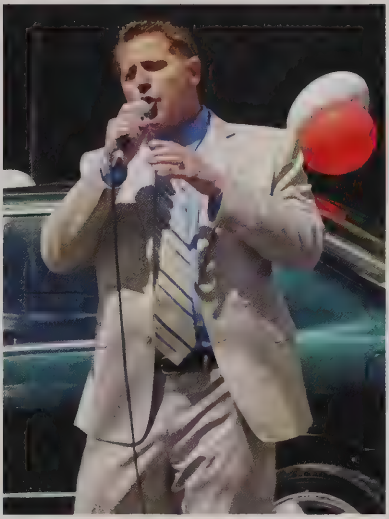
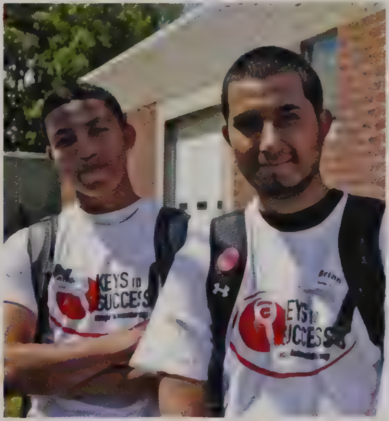
# KEYS TO SUCCESS

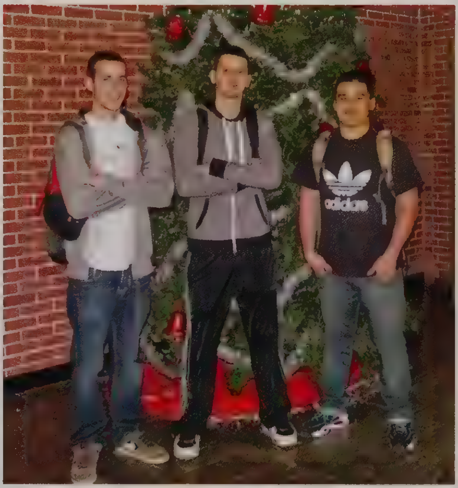
One of the highly rewarding programs at Waltham High is the Keys to Success program. Run by Ms. Lopes, this program gives students an opportunity to meet goals and get rewarded for their achievements. By offering students an impetus for their academic and social milestones, the staff encourages students to have more drive for helping the community and themselves. The grand prize is a car given away by the Village Automotive group in a draw. One lucky student is rewarded for their hard work. This year's winner was Maria Millan, who unfortunately could not make it on the day of the giveaway, but had Ms. Geaney stand in for her.





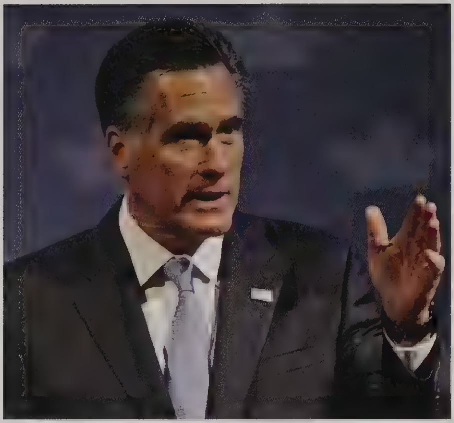
# Student Santa

One of the most anticipated events of the year, Student Santa, warms everyone's heart and fills them with holiday cheer. After months of preparation, the hard work finally pays off at the assembly displaying thousands of gifts purchased and donated by the Waltham community, at which the band, orchestra, and show choirs perform holiday music.



"The most enjoyable thing about Student Santa was seeing the people sing. Also, seeing all the gifts people donated was pretty incredible. It's the biggest way we as a school give back and I really enjoy it." - Josue Bautista

# Election 2012



Who did you vote for? The weeks leading up to the 2012 election buzzed with political activity as passionate supporters debated their views. Since September, the debate and campaign clubs collaborated to produce this year's presidential debate between candidates Mitt Romney and Barack Obama, played by seniors Thomas Waddick and Sejal Kotecha. The reenactment mimicked actual presidential debates: there were moderators, panel members, two candidates in vehement argument, and a roaring audience. Activity intensified the next day as thousands of voters nationwide cast their votes. The suspense was immense but by midnight it was all over; Obama won another four years in office with results similar to those collected in a school wide mock election after the debate.

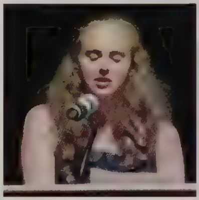
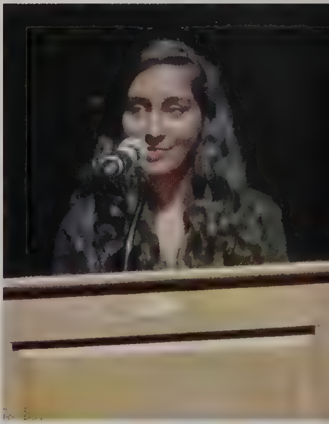
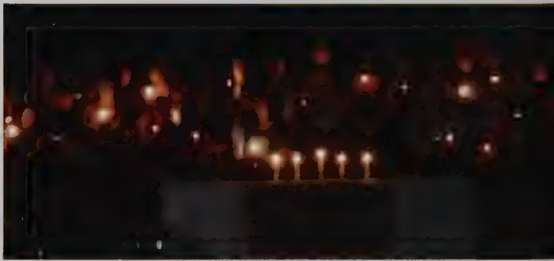
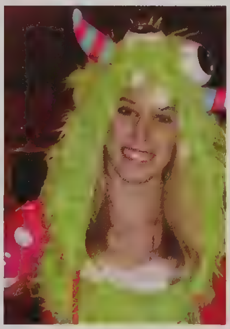
The National Honor Society Induction ceremony included speeches from the five officers about the pillars of the National Honor Society: scholarship, service, leadership, and character. Senior Housemaster Mrs. Brennan, NHS advisor Dr. Cox, and past NHS officer Emily Feeney also spoke to an audience of family and friends. The evening concluded with a candle lighting ceremony led by NHS President Maria Baras.

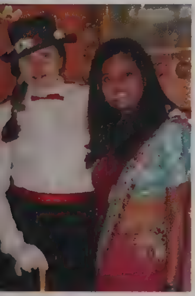


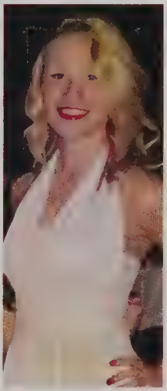


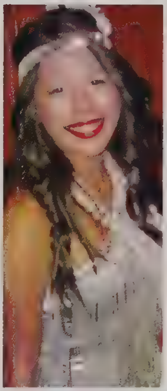


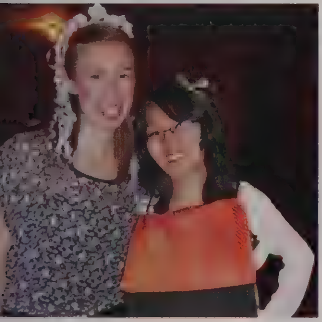
# NHS Halloween Party





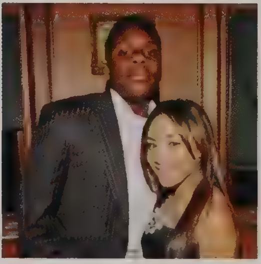


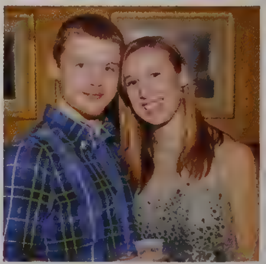




The annual NHS Halloween Party was a great opportunity for students to express their creativity through their costumes. Michael Lu and Junior Chery won the award for Best Male Costume with the classic plug-and-socket costume set, while Isabella McDonald won the award for Best Female Costume with a Mary Poppins costume. Thomas Waddick won the award for Lamest Costume; he was dressed as alternative artist Gotye from the music video "Somebody That I Used To Know". To wrap up the evening's festivities, Shannon Hickey and Hoa Do won the limbo contest and eternal bragging rights. A circle formed at the end of the night as everyone swayed along to "Proud to be an American" around Anna Sebunnya and Brittaney Bonhomme dressed as Michelle and Barack Obama.

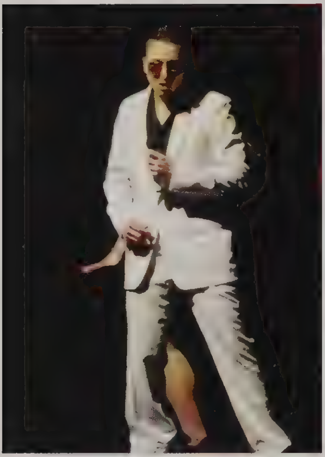
# Senior Social

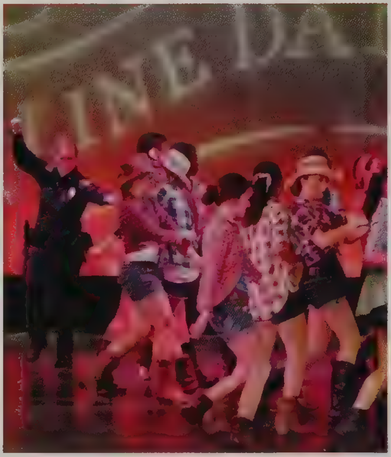


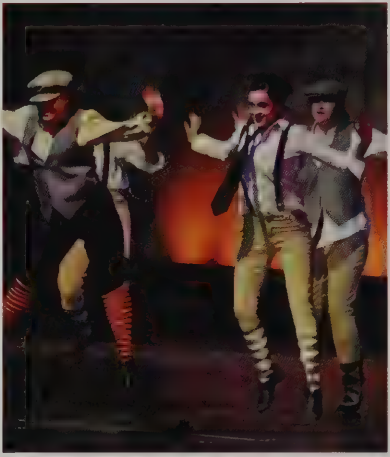


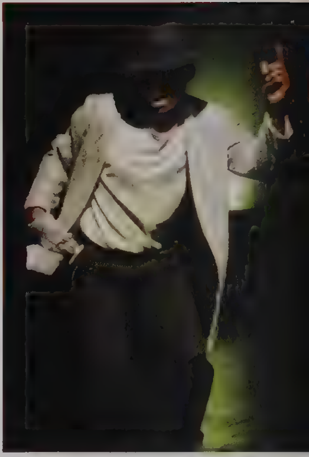
Seniors enjoyed a fun-filled night with dinner and dancing at the Robert Treat Paine Estate on December 16th. Sponsored by the NHS, the Senior Social was a night to relax and have fun, leading up to the holidays with the whole class. The impending snow torm heightened the thrill and made the ight one to remember!

# Senior Revue









This year's senior revue brought a taste of New York City and Broadway to Waltham High. The MCs performed a variety of skits exploring the city life and placing various teachers into the city, while dancers and singers performed a combination of Broadway numbers and today's hits. The show was a blast for everyone involved and helped to unite the class. Even Mrs. Brennan got in on the act, performing with Ms. Malone, Officer Tracey, and the entire cast in the Footloose "Fake ID" number, and with her daughter, Morgan, and all of the girls in a "Hard Knock Life" number from the musical Annie.

Congratulations Thomas
& to the WHS Class of 2013!!!

Tom- we are so very proud of all that you have accomplished and, more importantly, of the wonderful young man you have become. We are honored to be your parents and sister. Treasure all of the friends and fun times you have had during your years at WHS. Hold on to the strong foundation Waltham has given you and continue to build your dreams and future upon it. With your talent, determination, integrity and compassion, we have no doubt that you will be successful at whatever you choose to do. Pursue your passions and your dreams. Be resilient and engaged in the world around you. Be happy. Enjoy all the adventures ahead of you and know that wherever you go and whatever you do, we will always be there cheering for you! Love, Mom, Dad & Karissa
